Bismillahirrahmanirrahim

Agar koyi kahe ki meri bimari ke liye koyi aisa doctor lavo jo is fan ka mahir aur specialist bhi ho, aur fir dekha ki vo us doctor ko palang par utha kar laa rahe he usko lakva he, marij ne abhi apna haal kehna shuru kiya to pata chala ki ye behra bhi he, fir likh kar hal pesh kiya to pata chala ki ye aandha bhi he, to aakhir me chikh kar yahi kahenga ki jalim mujhe aise specialist ki jarurat nahi, ab doctor ko lane vale ne fauran unki degree unki jaib se nikal kar dikha de to kya ye degree kuchh mayna rakh-khengi.

issi tarah aaj hamara haal bhi yahi he

hamare pas musalman hone ki sanad, certificate he, lekin kamjor musalman he, log kehte he ki aap chhoti-chhoti bato ki kyu nasihat karte he, mere dosto chhoti-chhoti bato se to sare ki takmil hoti he, is doctor me chhoti-chhoti baato ki hi to kami thi, kaan se behra tha, kaan ek hissa he, pure jisam ke aitebar se, issi tarah aankh, naak, haath paav sab pure jisam ke mukable me chhoti-chhoti baate hi to the, jo is doctor ke kharab the, magar is chhoti-chhoti bato ki kharabi vale doctor ko pasad nahi kiya, balki usko bekar samajh kar vapis kar diya, Apne Islam ke bare me gaur kiya kijye, agar kisi darakht ki sab shakhe kat di jaaye aur sirf tehni baki rahe to is tehni ko jalane ke kaam me to la sakte he, magar is se phal-phool ki ummid nahi kar sakte, issi tarah Islam ke tamam chhoti-chhoti bato ko aehmiyat haasil he kamil musalman us vakt honga jab uske tamam chhoti-chhoti bato par amal honga.
